Access Your JBS Online Account

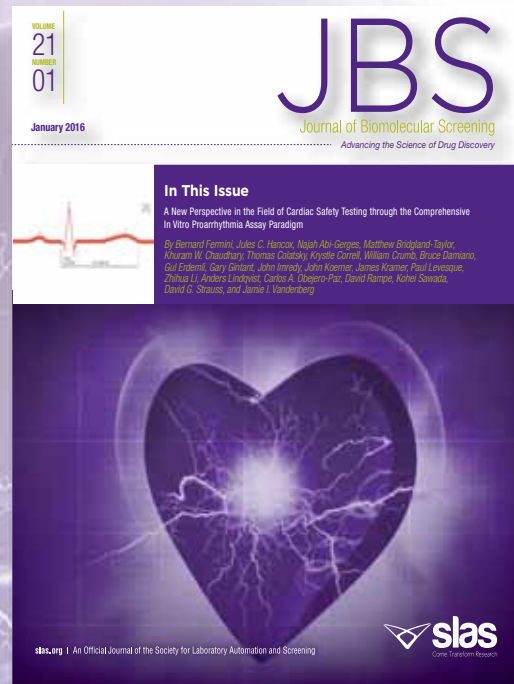

The electronic version of the **Journal of Biomolecular Screening (JBS)** is available online exclusively to members of the Society for Laboratory Automation and Screening's Biomolecular Sciences Section through SAGE Journals Online. If you have not previously activated your account, please follow these steps.

To set up your online access

1. Go to the SAGE Journals Online site:
<https://online.sagepub.com/cgi/activate/basic>
2. Where it says "Activate Your Online Subscription" enter your SLAS Member ID* and select Society for Laboratory Automation and Screening (SLAS) from the drop down menu and click "Submit."
3. On the "Instructions" page, be sure to check your personal data. Enter a username and password and click submit to confirm activation. Do not click the Journal Title link until the confirmation process has been completed.

To access articles

1. After you've activated your account, return to the electronic journal homepage and select the journal cover for access to the current issue or click "Current Issue."
2. To select an issue from the archive click "All Issues."
3. To search for articles, enter the title in "Search this journal" or use the "Advance Journal Search" link.
